

# P4 Mupi Full Color

Outdoor.

## Description:

P4 Mupi for outdoor. With high resolution and amazing contrast to be displayed at short, medium and long distances through its pitch 4. A dynamic outdoor mupi capable of capturing the eye through its pixels (240\*400). With rounded lines and avant-garde design to be placed in any indoor or outdoor space.

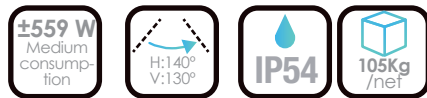

Ideal for dynamic and changing advertising. Through its full colour it transmits an amazing high brightness and colour similarity.

Possibility of infinite content: text, video, time, images with transitions, content programming, etc. Remote control through the Cosmi server

## Outstanding Features:

## Details:

## Technical specifications:

LED	SMD
Pitch	4mm
Resolution	240*400px/cabinet
Brightness	±5.000/ 5.500nits
View distance	≥4m
Viewing angle	140°H / 130°V
Maximum consumption	≤1.396w
Average consumption	± 559w
Working voltage	AC200-230V
Chassis	Glass and metal
Opening	Rear
Scanning	1/10
Double sided	No
Working temp.	-20° / +45°
Working humidity	10-90%
software	Included. Multilanguage
Connectivity	TCP/IP(network cable) ,USB stick. 3G/4G WIFI, optional Cosmi Server.
Weight	±105Kg
Weight with packaging	± 120Kg
Measures with packaging	1.200*2.070*800mm
Gray Scale	14-16Bits

**Ref. 291224**

Learn more:

**Warranty | 2 years**

## Observations

- Support platform and rollover protection included.

- Possibility of anchoring to the floor or ceiling.
